BUCYRUS OUTREACH & RESTORATION NETWORK

August 2021

## **MISSIONIMPACT**

2020 has brought many changes for not just our nation, but for BORN as well! We have been working on returning to our roots and rebuild the relationships that may have been broken in the past. Our goal is to follow our mission more closely, be more transparent to all involved with BORN! Our Board of Directors, Volunteers, and Office Staff are working together to accomplish ways to better serve our clients and be a better resource for Crawford County. We have been out to several events held in the community to reintroduce and promote BORN.

There have been some changes in office as well! Both the previous Executive Director and Office Manager resigned in June/July of 2020. We pray that God blesses both Eliza and Lisa on their new adventures! The Board of Directors hired Tabetha Linn to serve as the Interim Director/Office Manager in July of 2020, while they set up a committee for a new Executive Director. A big thank you goes to Lisa Workman from the Crawford County Community Foundation for serving on the committee to find a new Executive Director.

Tabetha Linn was hired in February as the new Executive Director. She has been a very involved volunteer at BORN since 2018. She is a member of Evangelical Faith Fellowship.

Joy Edington was hired in July to be the newly titled Assistant to the Director. She has recently moved back to Bucyrus and is a member of Bucyrus Church of the Nazarene.

Feel free to drop by the office to meet them and introduce yourself!

As BORN moves forward, please continue to pray for God's leading in every area of BORN. Please pray for the Board of Directors, the office staff and volunteers as they work together and serve in our community. Thank you for your continuous support, it is very appreciated!

Every new client is given a folder with resources and more resources are given to fit the needs they may have. Not all of our clients have identical needs. We are always seeking more resources for our clients. While offering a hand up and not a hand out, we try to help them in as many ways as we are able to!
